There is a higher throne

There is a voice that

There must be more than this

There's a place where

This is my desire

This is my desire to honour

We are a moment

We bow down and confess

We fall down, we lay our crowns

Welcomed in to the courts of the K

When you call my name

Wonderful so wonderful

You are a kind and loving God

You are God in heaven

You are the sovereign

You chose the cross(Lost in..)

You led me to the cross

Your love is amazing
